

MONICA

CLUE 5

Row 85: sl1pw, k2; start with 1st row of the chart 5 (follow the version as you knitted in clue 4. If you in clue 4 chose the version 3, you may knit in this clue also the version 1), repeat the charted pattern 31 times, k 3. Go on similarly with chart 5.

Λ – (Row 95, version 2) slip 2 knit wise, knit next stitch, pass slipped stitches together over the knitted stitch – centered double decrease. The version with nupps is this way more beautiful.

NB! At the beginning of row 95 in versions 1 and 2 are nupps next to yo-s. So be careful on WS not to knit nupps stitches together with yo-s.

At row 101 you have double YO-s and work them on **WS** as follows: first yo purl, the second yo knit.

At the end of Row 102 you should have 409 stitches on your needle.
